## ABOUT THE PRAYER POWERED ENTREPRENEUR

All around the globe, in all kinds of ways, God is at work. Powerfully. Visibly. Miraculously. And before the beginning of time, He has been setting the stage for this moment, this movement, of Christ-centered coaches & entrepreneurs to be:

- **Christ-saturated** – in every moment, every decision, every interaction of every day.
- **Mission-driven** – loving, sharing, gaining and giving not for just our own sakes but for those precious souls He has called us to serve.

- **Prayer-powered** – living out the reality that the good and gracious promises of God come to us through the humble, incomprehensible but trustworthy vehicle of prayer.

*The Prayer Powered Entrepreneur: 31 Days to Building Your Business with Less Stress and More Joy* lays out a simple, but incredibly effective, 31-day prayer plan. A plan already used by thousands of entrepreneurs to help them lay down the hurry, worry, and scurry of self-sourced business-building and instead embrace a moment-by-moment partnership with our all-loving, all-knowing, all-powerful God.

## ABOUT KIM AVERY

Kim is the Vice President of Marketing at the Professional Christian Coaching Institute and the founder and president of Kim Avery Coaching, a global coaching firm that specializes in equipping coaches and entrepreneurs to build successful businesses as they partner with God to change the world.

For years, Kim's burning question has been, *"Since Christian business owners have an all-knowing, all-powerful, and all-connected God on their side, shouldn't their businesses look VERY different than the businesses of those who don't know God?"*

The answer HAD to be a resounding yes.

So, she pored through Scripture searching for God's principles and provision for today's busy entrepreneurs and discovered a treasure trove of specific, actionable promises and an ongoing invitation to more strategically partner with God.

In *The Prayer Powered Entrepreneur* she shares the exact process she has taught thousands of entrepreneurs to build a better business in a better way.

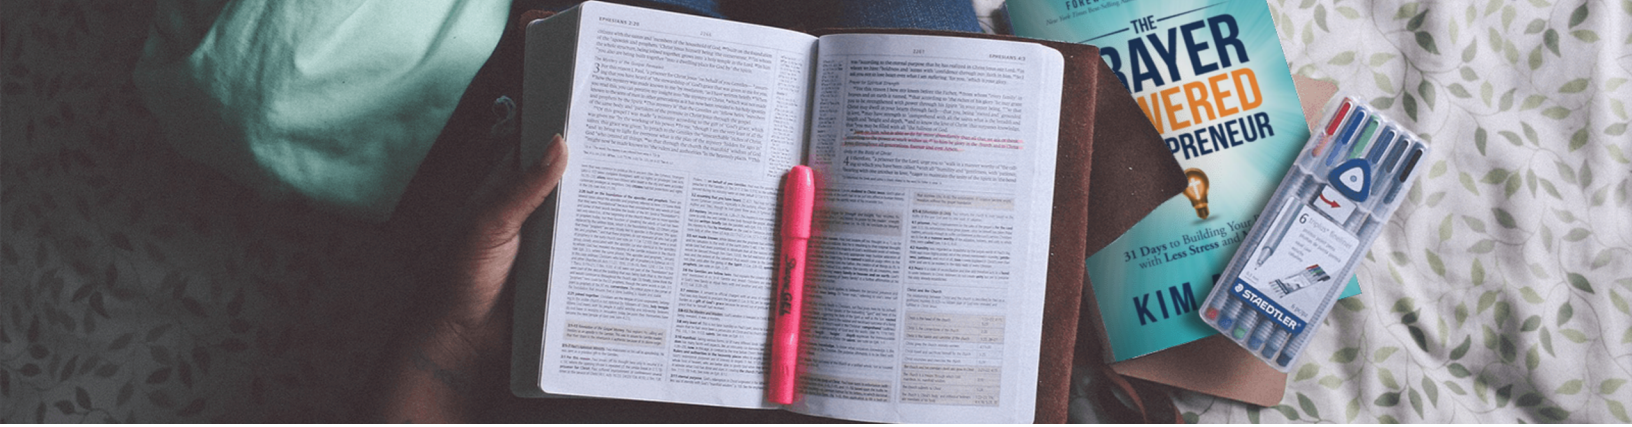

Kim lives in beautiful Winter Haven, Florida with her husband Ron, and their Australian Labradoodle, Samwise Gamgee. She is also a proud mother to Jonathan, her recently deceased daughter Bethany, and "Nina" to four incredible grandchildren, Peyton, Paisley, Ethan, and Alexander.
